ABOUT ME

Looking for an opportunity to build on existing communication, organizational and teamworking skills. I am in my fourth year, third at WOU, pursuing a degree in Computer Science. I hope to be an outstanding role model and representative of Western Oregon University and its Computer Science Department.

EDUCATION

2020 - 2023 (expected) • Western Oregon University - Monmouth, OR
BS Computer Science - 157 credits completed
- Maintaining 3.64 GPA

2019 - 2020 • Concordia University - Portland, OR
BS Exercise Science - 42 credits
- 50+ hours in collegiate Athletic Training room supervised by university Athletic Trainers

EXPERIENCE

Jan 2021 - June 2021
WOU Writing Center - Western Oregon University

Data Analysis and Visualization Intern
- Maintained regular and consistent attendance and punctuality.
- Completed data cleaning and data validation of existing spreadsheets to promote robust data management platform, resulting in accurate data analysis and entry.
- Identified, analyzed and interpreted trends or patterns in complex data sets by finding correlations and visualizing with charts.
- Reviewed files, records and other documents to obtain business information and key data informing responses to development requests.
